### *Go Tell it on the Mountains....*

**SPECIAL LIAISONS** – My Father's House is setting up special contact people in every area of the State and surrounding areas. These special agents of My Father's House will be the liaisons between us and the people in their immediate district. We are hoping to have those with email data bases join us along with others to not only disseminate information on events at My Father's House to those around them, but also to the their Parish Priests. Our goal is to encourage more people to take advantage of the authentically Catholic, pastoral and magisterium spirituality of My Father's House. People say that no where else can they get the teachings, the handouts, the books, the videos and the tapes that they receive from us. Yet, in many ways My Father's House is not known to the majority of the people. If you are willing to be a contact person please call (860) 873-8767 or Joannie at (860) 873-1906. Above all *PRAY... 'for the harvest is ready but the laborers are few!'*

**AN URGENT APPEAL....** Many realize that the United States is at a spiritual, moral and financial crisis the likes of which we have never seen. Our forefathers never meant our Country to be heading in the direction it is going. God is fashioning an army of faithful remnant of obedient followers. He has promised to use that remnant to *TURN THINGS AROUND*. My Father's House as at the forefront of God's plan. Please support us spiritually and financially in any way you can. God has been doing a mighty work at My Father's House – teaching and shaping His people to be His apostles. Jesus the Lord of all is still in charge and He has promised, *"If My people who are called by My name will humble themselves and pray and seek My face, I will hear from Heaven, I will restore their nation and heal their land."* **Please consider giving a one time donation or a monthly tith to the work we are doing at My Father's House.**

**RETREAT SCHOLARSHIP** – We have set up a program of Retreat Scholarships for those who cannot fully pay for our retreats and who could benefit from the spiritual teachings and healing that we offer. Won't you consider adopting a spiritual brother or sister to attend one of our Retreats. Contact (860) 873-1906 for more information. *Jesus says, "Give and it shall be given to you...."*

**MEMORIALS AND WILLS** – At My Father's House we have a Memorial Board by which you can memorialize a loved one. A special plaque will be put up in their honor. Also please remember My Father's House in your Will so that the work of the charism of My Father's House will go on for many

years to come. Call for more info.

### **CULTURE OF LIFE**

The United States has entered the most important battle against liberal forces who no longer hold that this is a Nation under God with deep respect for the sanctity of every human life and a deep commitment in the press and in body of politics for the religious formation of every American child. We are met in a great civil war testing whether this nation or any nation so conceived and dedicated can long endure. Please get Fr. Bill's Book "God Bless America."

**A SECOND URGENT APPEAL!**  
**Please continue to support My Father's House by sending a monthly donation to our ministry as we continue to fight for the soul of our Nation....GOD BLESS YOU!**
